

COVID-19 health and safety protocols for The Brides Project

We have taken enhanced health and safety measures for the health and safety of our staff, volunteers, brides and their guests. Please note, that during this time we will be operating my appointment only. For bridal appointments, please book via our website and for veil/jewelry appointments please email appointments@thebridesproject.org.

An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. According to the Centers for Disease Control and Prevention, senior citizens and guests with underlying medical conditions are especially vulnerable.

By visiting The Brides Project you voluntarily assume all risks related to exposure to COVID-19.

Let's keep each other healthy and safe!
